KEY TAKEAWAY

Aeria reached more than 4,000 views and 833 watch hours during its first six months. Since then, growth has accelerated significantly, with the channel reaching 13.9K total views and 1.3K watch hours by September 24, 2026. In the most recent 28 days, Aeria generated 6.8K views, 280 watch hours and 52 new subscribers. This momentum followed continued refinement of thumbnails, publishing strategy and a stronger focus on cinematic journey content. Ongoing performance analysis continues to guide format, cadence and creative direction.
